Burning Bush Craft – Wednesday Night

Colour in the picture of the burning bush then you could use your orange and red tissue paper scrunched up to stick on and decorate.

Or if you have paint at home you could use your fingerprints to decorate the flames!

Thursday Night Craft – The 10 Plagues Spinner

Enclosed are two pages with circles to cut out to make your spinner.

Cut out the two circles, stick them onto card and cut out into the circles again.

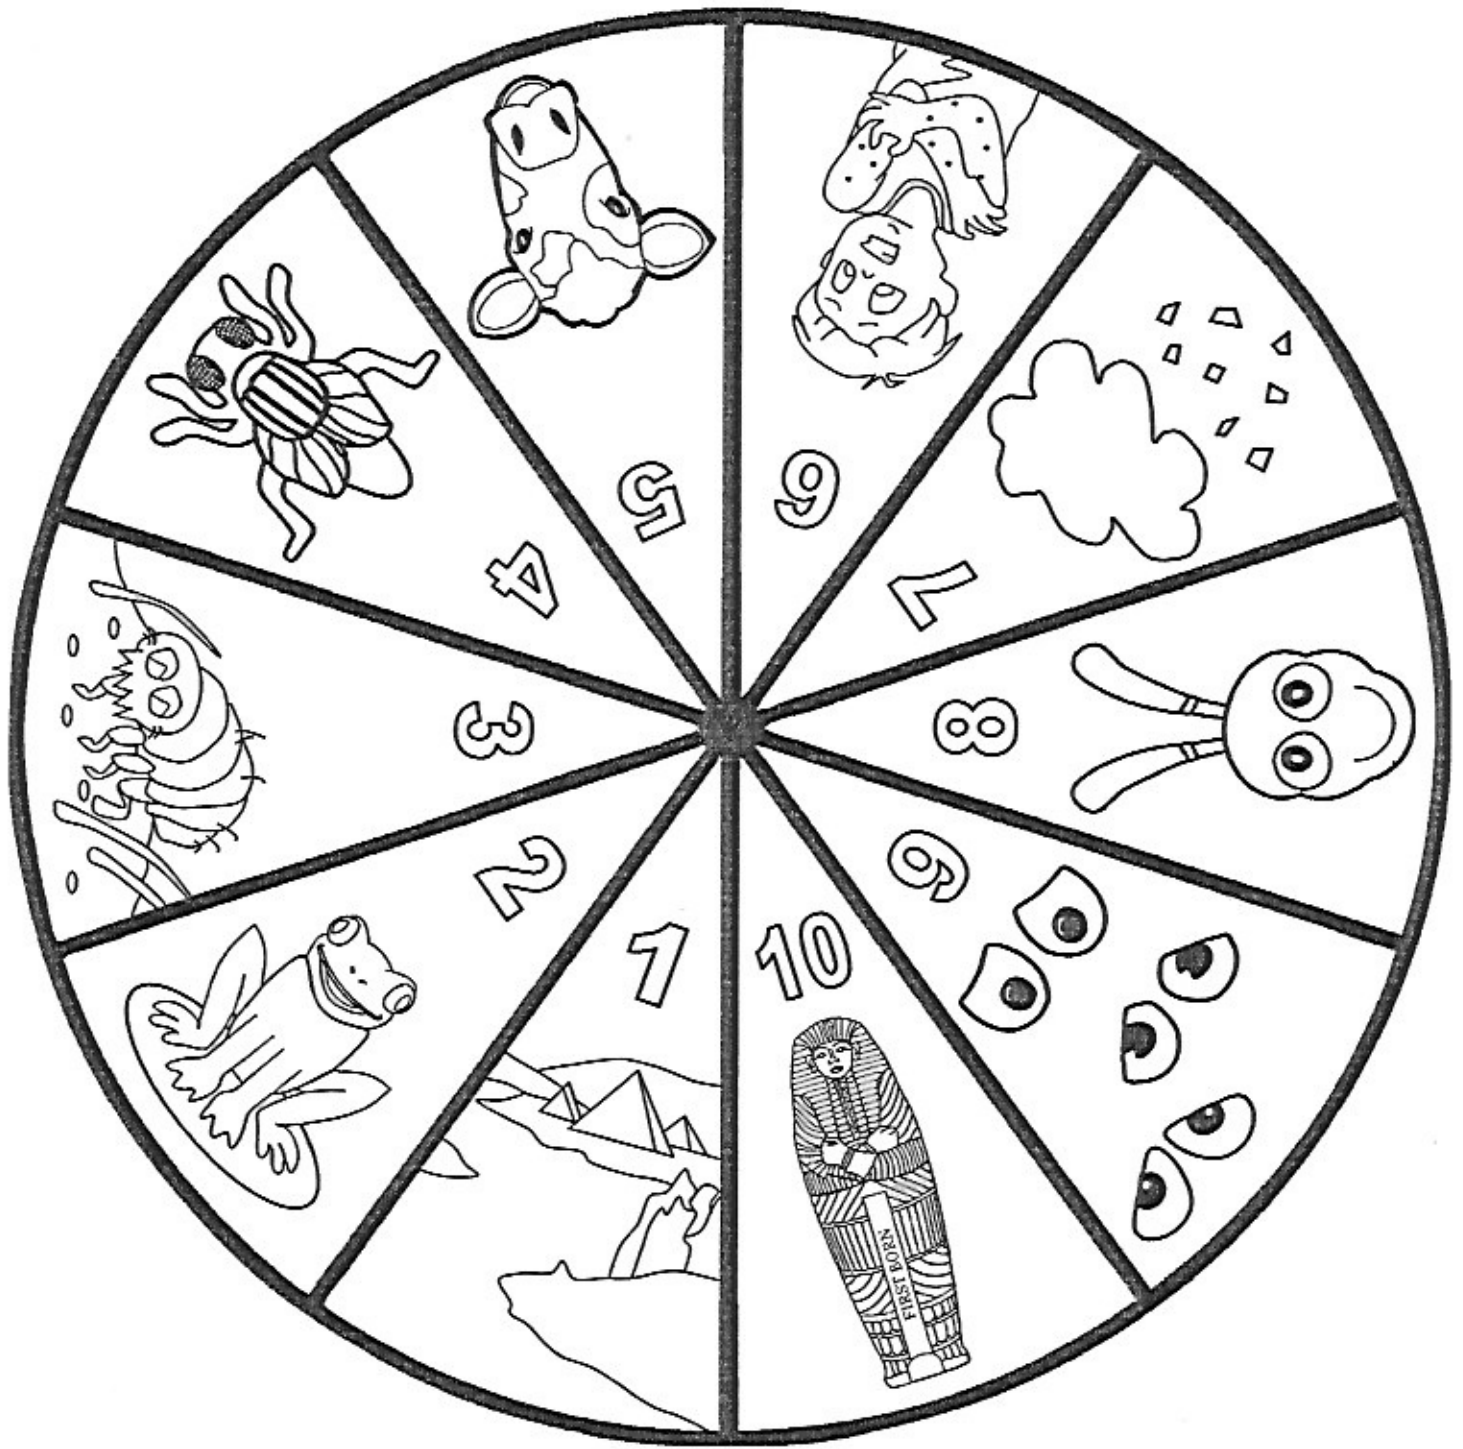

Make sure your top circle has a segment cut out so you can see the plagues underneath.

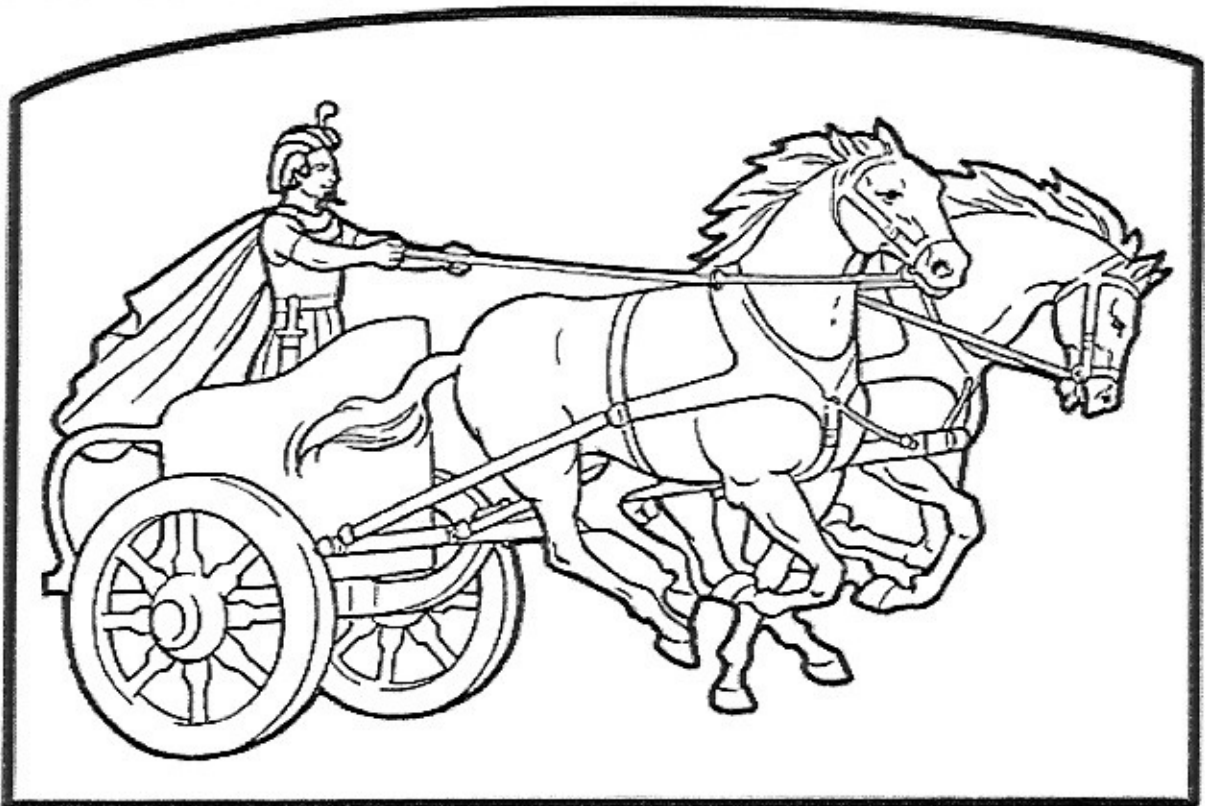

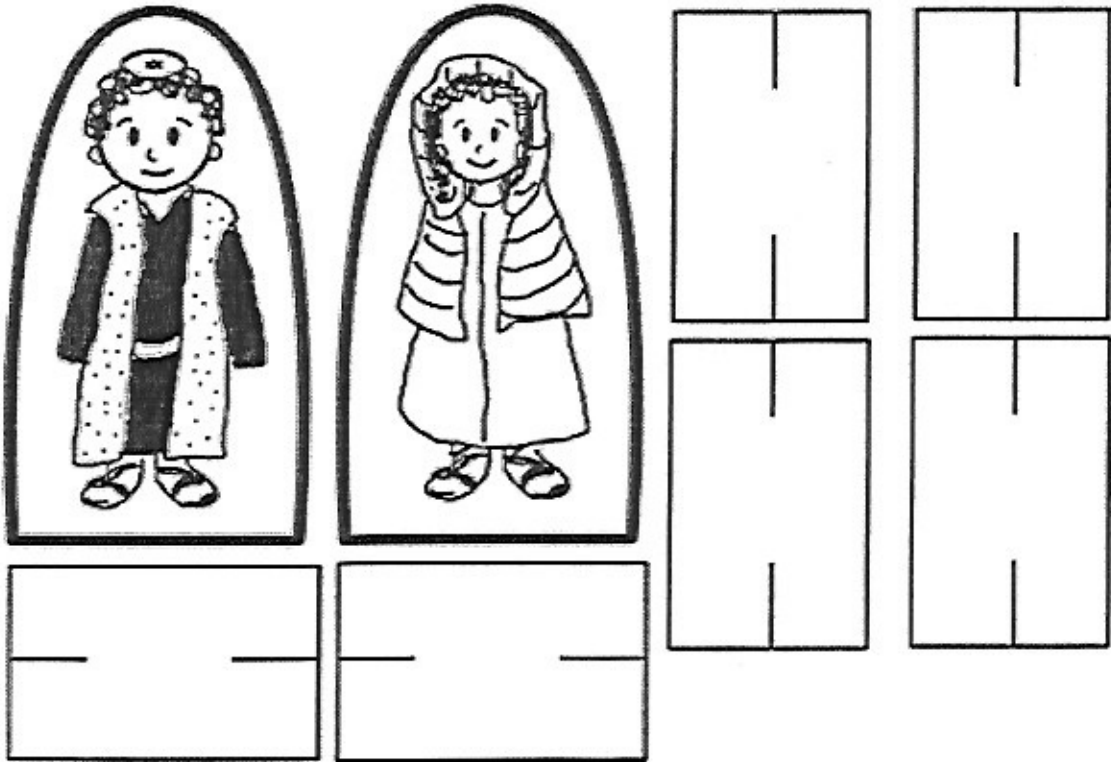

Then use your butterfly pin to secure the two pieces together and now you have your spinner!

MOSES AND THE TEN PLAGUES

Egypt and bring out My
hosts from the land of Egypt
